Godfather, Goethe and Lemons

Sicily, Goethe's "Land where lemons bloom", casts its spell over visitors.

Discover the numberless sightseeings, the fascinating landscape, the mild climate and the spring in the air. The rich Sicilian cuisine is also a big draw for visitors. Stroll through the markets in the Baroque old towns in Catania and Palermo and discover local products: colourful vegetables in different shape, fresh fruits and lobsters, excellent cheese, lamb and kid, Etna cherries and strawberries from Noto.
