

## To make a trip for your clients unforgettable ...

...there are two possibilities: or you let them stay at a very bad hotel, or you offer them an original programme, full of small surprises.

With this opening- / closingtrip, we obviously want to help you with the second option: a trip to *Abano Terme*, a famous health resort for decades, a charming 4\* hotel and a fantastic programme.

### The hotel...

Since the city of Abano is quite known as it is, we will describe more precisely the hotel that we want to offer you (of course there are a lot more...)
