Mago Gentile

Gabriele Gentile is one of the most famous magician in Italy, frequently on the national television and winner of many Prizes. He has World record the 24 Hours magic player.

Music with mask

Unique in the international classic music world, thanks to the talents and passion of the Maestri, who have composed the passage, they have become protagonist in many important collaborations such as UNESCO, the city of Rome and many tours in Brazil.

Another plus which fascinates the guests, are the costumes from the 700 , and the original Carnival mask.

4 elements, piano, violin, tenor and soprano
