In the most beautiful  
country of the world

## The most beautiful Riviera in spring and summer time... Including a tour free of charge!

In spring the landscape of Riviera offers a mix of perfumes and colours ranging from the blue sea waters to the green woods in the hinterland. A few regions in Europe boast such a varied landscape.

We offer you a small paradise on earth at very convenient terms:

### Where you are staying...

Alassio is one of the most renowned holiday resorts in the western Riviera of Liguria. Surrounded by the sea and the mountains, Alassio lies on a strip of land with a pretty green promenade along the seaside.

Thanks to its position, its large beaches, the deep sea, the mild climate all the year long that makes swimming possible from March to November, the high quality service on 100 seaside facilities and the impressive panoramic views of both Capo Mele and Capo S. Croce, Alassio is without any doubt one of the best sandy beach resorts. The dust-free grey white sandy beach extends over 4 km up to the near beaches of the wonderful coast town Laigueglia.

### The Hotel...

3\* Hotel Garden is located in a quiet area in Alassio 400 m far from the seaside. Rooms are equipped with shower / WC, satellite TV, and direct dial phone. American bar, restaurant, lift, reading room, conference room, 2 swimming pools, sun terrace, safety box at reception are available to guests as well.
