Programme

Taste local dishes in a "**Trullo**", visit **Castellana's** grottos and give in to the deadly sin of gluttony in **Polignano a Mare**: in this historical village overhanging the sea you will enjoy the best hand-made ice cream all over Apulia.

After the beautiful **Bari**, have lunch in a "masseria", where a dairyman will show you the **mozzarella** making, try it hot!

Proceed to **Matera** (with its world famous rocks), enchanted by the Mediterranean scrub alternating olive trees, and arrive in **Cisternino** to taste the meat baked in a wood stove of a well-known **butchery**.

Leave with us and treat yourselves to an Apulian temptation!
